The Ferme du Bord de Mer** (Seaside Farm) has 55 camping spots of approximately 110m2, associated to a natural area of 30 spots.

The camping site is in perfect harmony with its sea and countryside environment, due to grass covered spots and thick bushes. The trees separating the camping spots offer a pleasant shade in the hottest summer days.

The Val de Saire offers the perfect conditions for a hike. We are located on the GR223 hiking road and we offer our lodge and different accommodation possibilities.

Offering only a sleeping bag, we can accommodate a large group for a comfortable resting night, before a new hiking day. Our accommodation package includes the night and breakfast. Option : Lunch pack or lunch on site.

To fully enjoy your stay with us, we offer you our rentals :
MOBIL-HOMES 4 to 6 persons,
COCO SWEET 2 to 4 persons.

Rentals with seaview, terrasse... to pick for your low season weekends or summer weekdays.
